INDEX TO VOLUME 14

PAGE

Abdomen, cause of postoperative rupture of abdominal incisions 600

Abscess, cold, tuberculous and nontuberculous 153

pelvic, in male.....1267

subphrenic, transphrenic infection; 10 cases 240

Achondroplasia, etiology of, with emphasis upon syphilitic factor..... 161

Actinomycosis of vertebrae (actinomycotic Pott's disease); 4 cases.....1166

Alkali, effect of injection of, on cardiac output of anesthetized dog..... 921

Allison, N.: Thirty-first report of progress in orthopedic surgery.....150, 605

Amputation, kineplastic, of upper extremity stumps and artificial limbs..... 615

Anesthesia, ether, cardiac output in dog during 732

ether; effect of injection of alkali on cardiac output of anesthetized dog..... 921

ether; effect of therapeutic amounts of digitalis on cardiac output of anesthetized dog 978

in extrapleural thoracoplasty for advanced pulmonary tuberculosis..... 432

preliminary artificial pneumothorax in operations on open chest; various methods of anesthesia..... 438

spinal 952

Archibald, E. W.: Value of iodized oil, 40 per cent, in diagnosis of pulmonary infections 206

Arthritis: See also Periarthritis

acute suppurative 1113

chronic, classification and treatment.....1117

chronic infectious, synovectomy in..... 159

chronic, pathology and treatment..... 158

gout and; blood calcium in differential diagnosis 159

Arthroplasty, new method of modeling ends of bones in..... 607

Artificial limbs, and different types of amputation stumps 615

Association, tentative draft of constitution for the American Association for Thoracic Surgery 451

Atelectasis: See Lungs

PAGE

Autohemotherapy, circuminjection of autogenous blood in treatment of carbuncles 868

Ayers, K. D.: Effects of gaseous distention on obstructed bowel; incarceration of intestine by gas traps.....1215

Back strain, rôle of lumbar ligaments in...1121

Balensweig, I.: Unusual vertebral injuries; report of cases..... 29

Ballon, D. H.: Pneumonography with iodized oil, 40 per cent, by bronchoscopic method; bronchial tree, with observations made from 100 injections.184

Ballon, H. C.: Pneumonography with iodized oil, 40 per cent, by bronchoscopic method; bronchial tree, with observations made from 100 injections... 184

Berg, B. N.: Experimental chronic duodenal obstruction; bacteriology..... 762

Experimental chronic duodenal obstruction, technic and physiology..... 752

Berry, F. B.: Mediastinum; paths of extension of infection from focus in mediastinum 261

Beye, H. L.: Transphrenic infection; report of 10 cases..... 240

Biliary Tract, disease, relation of nitrogen bodies of blood to surgical problems in liver and in biliary tract disease; interrelationships of nitrogen body metabolism and criteria on which judgments are to be based..... 955

disease, relation of nitrogen bodies of blood to surgical problems in; status of nitrogen bodies of blood in early, mild and moderately advanced cases of biliary tract disease..... 1222

Bird, C. E.: Sarcoma complicating Paget's disease of bone; report of 9 cases, 5 with pathologic verification.....1187

Bismuth, subcarbonate, technic of bronchoscopic introduction of, for pneumonography..... 175; (correction) 599

Bladder, contracture of neck of..... 947

diverticula 939

diverticula, pathogenesis of..... 554

nerve control 941

Blalock, A.: Cardiac output in dog during ether anesthesia; effect of ether anesthesia on cardiac output..... 732

PAGE

Cardiac output in dog during ether anesthesia; effect of injection of alkali on cardiac output of anesthetized dog..... 921
Cardiac output in dog during ether anesthesia; effect of therapeutic amounts of digitalis on cardiac output of anesthetized dog 978
Blood, circulation, and nutrition of bone tissue 605
Bone, autotransplantation and homoiotransplantation, in rats.....1282
correction of bony deformity by splintering of bone.....1275
graft, for sacro-iliac fixation.....1122
grafting, in treatment of ununited hip fracture 613
grafting, strength of certain materials used for operative fixation.....1284
growth, interstitial proliferation of osseous tissue 605
metastases, generalized osseous, secondary to atrophic scirrhous carcinoma of left breast 529
nutrition of, and blood circulation..... 605
overgrowth of long bones of lower extremity; 3 cases..... 142
prevention of regeneration of ribs.....1209
regeneration, rôle of bone marrow in....1282
syphilis of 1112
transplantation into joints.....1283
tumors, angio-endothelioma 156
tumors, endothelial myeloma (Ewing's tumor); 54 cases..... 156
tumors, leukemia, a sarcoma; bone evidence; 2 cases..... 542
tumors, operability of.....1120
tumors, osteogenetic sarcoma..... 156
tumors, primary malignant, of long bones; end-results in 170 operable cases 63
tumors, pulsating 1121
tumors, Registry of Bone Sarcoma..... 157
wedge implant 1275
Book Reviews:
Bone Sarcoma; E. A. Codman..... 620
Orthopedic Surgery; W. B. Cochrane.... 620
The Inflammation and Toxic Diseases of Bone. A Textbook for Senior Students; R. L. Knaggs..... 620
Brady, L.: Solid tumors of urachus..... 46
Brain, cerebral concussion..... 891
chronic subdural hematoma; 7 cases.....1136
Breast, cancer, generalized osseous metastases secondary to..... 529
carcinoma of male breast; clinical and pathologic study 836

PAGE

Breast—Continued
intracystic papillomatous tumors of, benign and malignant; 124 cases..... 793; (correction) 1124
Bronchiectasis, pneumonography with iodized oil, 40 per cent, by bronchoscopic method; bronchial tree, with observations made from 100 injections..... 184
uncomplicated unilateral 389
Bronchography; injection of iodized oil, 40 per cent..... 167
technic of bronchoscopic introduction of bismuth subcarbonate and iodized oil, 40 per cent, for pneumonography..... 175; (correction) 599
Bronchus disease and nontuberculous pulmonary disease 218
observations of bronchial tree made from 100 injections of iodized oil, 40 per cent 184
Brown, L. T.: Thirty-first report of progress in orthopedic surgery.....150, 605
Thirty-second report of progress in orthopedic surgery 1107, 1271
Bucholz, H. C.: Thirty-first report of progress in orthopedic surgery.....150, 605
Thirty-second report of progress in orthopedic surgery.....1107, 1271

Cabot, H.: Observations on natural history of renal infections.....1259
Cancer, carcinoma of male breast..... 836
generalized osseous metastases secondary to atrophic scirrhous carcinoma of left breast 529
intracystic papillomatous tumors of breast; 124 cases, 793; (correction)...1124
solid tumors of urachus..... 46
Carbuncles, circuminjection of autogenous blood in treatment of..... 868
Carp, L.: Circuminjection of autogenous blood in treatment of carbuncles..... 868
Cartilage, transplantation, in rats.....1282
Cholesterol, irradiated, in treatment of rickets 163
pathogenesis of biliary calculi..... 14
Chondroplasia 162
Churchill, E. D.: Lobar atelectasis in chronic pulmonary suppuration..... 1093
Chyluria, nonparasitic 952
Cleveland, M.: Hallux valgus; final results in 200 operations.....1125
Cod Liver Oil, irradiated, in treatment of rickets 1114
Coley, B. L.: Primary malignant tumors of long bones; end-results in 170 operable cases 63

INDEX TO VOLUME 14

PAGE

Coley, W. B.: Primary malignant tumors of long bones; end-results in 170 operable cases 63

Cone, S. M.: Leukemia, a sarcoma; bone evidence; report of 2 cases..... 542

Cranium, fractures; complications and causes of death; review of 512 necropsies and of 61 cases.....1023

sporotrichosis of bones of..... 157

Cysts, of semilunar cartilages..... 615

Danforth, M. S.: Thirty-first report of progress in orthopedic surgery....150, 605

Thirty-second report of progress in orthopedic surgery.....1107, 1271

Dangle-foot, treatment 153, 154

Denton, J.: Mode of origin of gallbladder lesions 1

Diaphragm, congenital absence of left half; differential diagnosis; 3 cases..... 332

eventration of; diagnosis and treatment; 4 cases 316

paralysis, rationale of operations helpful in promoting recoveries from pulmonary tuberculosis 369

transphrenic infection; 10 cases..... 240

Diathermy, new punch for prostatic obstruction 941

Digitalis, effect of therapeutic amounts of, on cardiac output of anesthetized dog.. 978

Duodenum, obstruction, experimental chronic; bacteriology 762

obstruction, experimental chronic; technic and physiology..... 752

Dwarfism 1115

Dysentery bacillus, rôle of, in arthritis deformans 1119

Eloesser, L.: Preliminary artificial pneumothorax in operations on open chest; with clinical observations on sensibility and reflexes of various parts of lung, and various methods of anesthesia.... 438

Embolism, fat, including experimental production without trauma..... 621

Endothelioma, angio-endothelioma of bone.. 156

of long bones; cases..... 63

Esophagus, congenital atresia of, with esophageal diverticulum and tracheo-esophageal fistula 917

Femur, fractures of; treatment.....
.....1278, 1279, 1280

Sauerbruch's plastic replacement of, by reversed leg 1273

Fingers, dorsal dislocation of metacarpophalangeal joints 1280

symmetrical disease of epiphyses of hand.1117

PAGE

Fistula, tracheo-esophageal 917

Flat-foot, surgical treatment..... 610

Foot: See Dangle-foot; Flat-foot; Metatarsus; Os calcis; Toe

Foulds, G. S.: Review of urologic surgery 772, 934

Fractures: See also under Femur; Hip, Humerus; Os Calcis; Ribs; Wrist

age of, determination by roentgenologic appearance 612

calcium and phosphorous metabolism in..1276

Colles' 1278

fixation of bone fragments by wire suture 1277

healing of, and avitaminosis..... 606

management of more common.....1276

muscle and nerve injuries associated with 611

reduction of, under local anesthesia..... 613

Freeman, L.: Cause of postoperative rupture of abdominal incisions..... 600

Gallbladder, lesions, mode of origin of.... 1

pathogenesis of biliary calculi..... 14

torsion of; cases..... 968

Gatch, W. D.: Effects of gaseous distention on obstructed bowel; incarceration of intestine by gas traps.....1215

Gout, arthritis and; blood calcium in differential diagnosis 159

Growth, disturbances of.....1115

Hamilton, W. F.: Nontuberculous pulmonary disease 218

Harbin, M.: Overgrowth of long bones of lower extremity; report of 3 cases.... 142

Harrington, S. W.: Surgical treatment of intrathoracic tumors and tumors of chest wall 406

Hart, D.: Intracystic papillomatous tumors of breast, benign and malignant; analysis of 124 cases, 793; (correction)...1124

Head, J. R.: Prevention of regeneration of ribs; problem in thoracic surgery.....1209

Heart, cardiac output in dog during ether anesthesia 732

cardiac output in dog during ether anesthesia; effect of injection of alkali..... 921

cardiac output in dog during ether anesthesia; effect of therapeutic amounts of digitalis 978

Hedblom, C. A.: Uncomplicated unilateral bronchiectasis; late results of extrapleural thoracoplasty 389

Hematoma, chronic subdural; 7 cases.....1136

Hematuria 791
